Ag Sentinel Emergency Situation Reporting

CCE collaborates with NY Agriculture and Markets and the NY Farm Bureau to capture real-time disaster situational reporting.

This information is for situation awareness, reporting, and immediate needs assistance during local and state disaster response. Farmers are encouraged to follow their normal process of reporting specific losses to their county Cornell Cooperative Extension and USDA FSA offices.

Enter your information:

○ Name (1) _____

○ Contact info (2) _____

○ Date (3) _____

○ Time (4) _____

○ Number of farms impacted in county (5)
_____

Cornell Cooperative Extension

List the numbers of livestock impacted:

	Loose (1)	Stranded (2)	Injured (3)	Dead (4)	Location(s) (5)
Dairy Cattle (1)					
Beef Cattle (2)					
Equine (3)					
Swine (4)					
Sheep (5)					
Goats (6)					
Ostrich/Emu (7)					
Llama/Alpaca (8)					

Cornell Cooperative Extension

Poultry Layers (9)				
Poultry Broilers (10)				
Other (11)				

Indicate what, if any, assistance is needed. (e.g. mend/upright fences; farm/barn mud-out; dairy milking assistance; generator for milk processing; debris on roads/delivery issues; carcass disposal; etc.)

_____

Other Livestock issue/need:

_____

Cornell Cooperative Extension

Enter the type of impact and need for each field type:

	Type of Impact (1)	Need(s) (2)	Location(s) (3)
crops (1)			
grazing lands (2)			
nursery (3)			
tree stock (4)			
other (5)			

Cornell Cooperative Extension

Enter the type of impact and need for supplies, facilities, and equipment:

	Type of Impact (1)	Need(s) (2)	Location(s) (3)
Stored feed (1)			
water (2)			
farmhouse (3)			
other living quarters (4)			
barns (5)			
farm equipment (6)			
generator/pumps (7)			
fences (8)			

Enter the type of need and location for impacted roads:

	Need(s) (1)	Location(s) (2)
On premises road (1)		
Off premises road (2)		

Enter the type of need and location for impacted power:

	Need(s) (1)	Location(s) (2)
power outage on premises (1)		
system or grid power outage (2)		

Cornell Cooperative Extension

Enter the type of impact and need for impacted communications

	Type of Impact (1)	Need(s) (2)	Location(s) (3)	Alternate (4)
phone (1)				
internet (2)				

Q18 Enter the number of agriculture and food related businesses impacted in county:

_____

Cornell Cooperative Extension

Enter the impact, need and location of agriculture and food related businesses impacted in county:

	Type of Impact (1)	Need (2)	Location (3)
1 (1)			
2 (2)			
3 (3)			
4 (4)			
5 (5)			
6 (6)			
7 (7)			
8 (8)			

List resources currently committed to agriculture, and animal response:

_____

Personnel and volunteers:

_____

_____

_____

_____

_____

_____

Equipment and supplies:
